Research Associate in Theoretical Condensed Matter Physics
University of Minnesota

The William I. Fine Theoretical Physics Institute (FTPI) in the School of Physics and Astronomy at the University of Minnesota, Twin Cities is looking to fill a Research Associate in theoretical condensed matter physics. Please visit our websites for more information: [www.ftpi.umn.edu](http://www.ftpi.umn.edu) and [www.physics.umn.edu](http://www.physics.umn.edu)

Applicants are required to have a Ph.D. in theoretical condensed matter physics. Preference will be given to applicants with excellent analytical, computer programming, communication, presentation, and writing skills. Applicants will work primarily with Professor Boris Shklovskii but will have extensive opportunity to collaborate with all members of FTPI and the School of Physics and Astronomy.

Applications will be accepted online only at: [https://employment.umn.edu/applicants/Central?quickFind=107283](https://employment.umn.edu/applicants/Central?quickFind=107283)

Please provide a cover letter, curriculum vitae, and reference list with at least three references and complete contact information. Additionally, have the letters of reference sent by December 15, 2012 to: cmt2013@physics.umn.edu

The review of applications and nominations will begin immediately and will continue until the position is filled.

The University of Minnesota shall provide equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression.
