

Dear Colleague,

I am writing to ask for your assistance in spreading the word about the ENS-ICFP Junior Research Chairs, the research program funded by the Department of Physics at Ecole Normale Supérieure, Paris (France), that is now going into its sixth year.

The essential goal of this program is to recruit talented young scientists at the post-doc level, who will be able to rapidly develop top-level research at the department and develop their talents in an exciting research environment.

The call for applications is now open for positions starting in September 2018; please see the call attached for more details as well as this year's dedicated poster.

Note that **the deadline for application will be October 30, 2017.**

Sincerely,

--

Dr. Cécile Margossian
Deputy Director - LabEx ENS-ICFP
