Your Career Starts With Us!

Full Professor (W2) in Theoretical Physics (Condensed matter)

Faculty of Mathematics, Computer Sciences and Natural Sciences

We are searching for qualified applicants for teaching and research in the area of the theory of nanoelectronic or low dimensional quantum systems. Research should complement existing activities in the theoretical and experimental physics departments and of the groups of the "Jülich Aachen Research Alliance - Fundamentals of Future Information Technology" (JARA-FIT, RWTH Aachen / FZ Jülich, http://www.jara-excellence.de). The starting date is August 1, 2010.

A Ph.D. degree is required; additionally, Habilitation (post-doctoral lecturing qualification), or an exemplary record of research achievements as an assistant / an associate / a junior professor or university researcher and/or an outstanding career outside academia are highly desirable. Ability in and commitment to teaching are essential. German is not necessary to begin with but will be expected as a teaching language within the first 5 years.

The application should include supporting documents regarding success in teaching.

Please send your application including CV, publication list and research plans to: An den Dekan der Fakultät für Mathematik, Informatik, und Naturwissenschaften der RWTH Aachen, Herrn Prof. Ulrich Simon, Templergraben 55, 52062 Aachen. The deadline for applications is March 1, 2010.

The RWTH Aachen aims to increase the number of women in areas in which they are under-represented, thus women are strongly encouraged to apply. For further information please see: http://www.rwth-aachen.de/equality

The RWTH Aachen aims to integrate persons with disabilities, thus persons with disabilities are strongly encouraged to apply. For further information please see: http://www.rwth-aachen.de/disabilities
