Full Professor (W2) in Theoretical Physics (Theory of condensed matter)

Faculty of Mathematics, Computer Sciences and Natural Sciences

We are seeking qualified applicants for teaching and research in the area of condensed matter theory. The starting date is August 1, 2008. Special emphasis is given to the field of quantum information and/or quantum optics for solid state based or cold atom systems. We expect a close collaboration with the theoretical and experimental groups of the department of physics, and interdisciplinary collaborations with other departments of the RWTH Aachen and the Forschungszentrum Jülich (JARA-FIT, JARA-SIM)

A Ph.D. degree is required; additionally, Habilitation (post-doctoral lecturing qualification), an exemplary record of research achievement as an assistant / an associate / a junior professor or university researcher and/or an outstanding career outside academia are highly desirable. Ability in and commitment to teaching are essential. German is not necessary to begin but will be expected as a teaching language within the first 5 years.

Please send a cover letter stating research aims and a CV to: An den Dekan der Fakultät für Mathematik, Informatik und Naturwissenschaften der RWTH Aachen, Herrn Prof. Dr. Matthias Wuttig, Templergraben 55, 52062 Aachen. The deadline for applications is April 1, 2008.

The RWTH Aachen aims to increase the number of women in areas in which they are under-represented, thus women are strongly encouraged to apply. For further information please see: http://www.rwth-aachen.de/equality

The RWTH Aachen aims to integrate persons with disabilities, thus persons with disabilities are strongly encouraged to apply. For further information please see: http://www.rwth-aachen.de/disabilities
