POLYMER SCIENCE AND ENGINEERING
UNIVERSITY OF MASSACHUSETTS AMHERST

The University of Massachusetts Amherst invites applications for a faculty position in the Department of Polymer Science and Engineering. The appointment will be at the Assistant Professor level and will begin as early as September 2007. Applicants with interest in any area of polymer science or closely related fields would be considered. Special emphasis will be given to applicants with interests in theory. Candidates should send a curriculum vitae, a proposed research program, and arrange to have three letters of recommendation sent to: Chairman, Faculty Search Committee, Department of Polymer Science and Engineering, Conte Research Center, University of Massachusetts, Amherst, MA 01003. The deadline for receipt of applications is February 15, 2007, but the search will continue until a suitable candidate is found. Salary is commensurate with qualifications. Information about the University of Massachusetts can be obtained at www.umass.edu and about the Department at www.psc.umass.edu. The University of Massachusetts is an Affirmative Action/Equal Opportunity Employer. The position will be filled contingent upon funding. The Department is committed to the development of a diverse faculty, student body and workplace. Women and members of underrepresented groups are strongly encouraged to apply.
