Theory Search Ad

The Division of Chemistry and Chemical Engineering at the CALIFORNIA INSTITUTE OF TECHNOLOGY invites applications for a tenure-track faculty position. This is a Division-wide search. We seek outstanding candidates with strong commitments to research in the theory of chemical, physical, or biological systems. We expect to make the appointment at the assistant professor level, but extraordinary candidates may qualify for appointment at the associate or full professor levels. Appointment is contingent upon completion of all requirements for a Ph.D. in Chemistry, Chemical Engineering or other related field. Submit curriculum vita, publication list, a description of proposed research, and three letters of recommendation to Ahmed H. Zewail, Chair of the Theory Search Committee, M/C 127-72, California Institute of Technology, Pasadena, CA 91125. Applications should be received by October 15, 2006. The California Institute of Technology is an Equal Opportunity/Affirmative Action Employer. Women, minorities, veterans, and disabled persons are encouraged to apply.
