Faculty Position at University of Puerto Rico, Mayaguez

The Department of Physics at the University of Puerto Rico, Mayaguez Campus, has an opening for an entry-level tenure-track position starting January 2007. The Department, with 28 full-time faculty members, offers B.S. and M.S. degrees in Physics and has externally funded research programs in several fields. We request applications from candidates with expertise in the following field: Condensed Matter Physics Theoretical or Experimental. A successful candidate must hold a Ph.D. degree at the time of hiring, must be committed to excellence in teaching at the undergraduate and graduate levels, and is expected to actively pursue external funding for support of her or his research activities. Applicants should submit a C.V. with a cover letter summarizing research and teaching goals, and arrange to have three letters of recommendation sent to: Prof. Hector J. Jimenez, Chair, Department of Physics, University of Puerto Rico, Mayaguez, PR 00681-9016. Documents sent by e-mail must be directed to comperfis@uprm.edu.
