FACULTY POSITION IN THEORETICAL CONDENSED MATTER PHYSICS
UNIVERSITY OF CALIFORNIA, SAN DIEGO

The Department of Physics at UCSD (http://physics.ucsd.edu) invites applications for a tenure-track Assistant Professorship in theoretical condensed matter physics. Applicants should have a Ph.D. in Physics, an outstanding record of research accomplishments and, in addition to their research, a strong interest and ability to teach effectively at both the graduate and undergraduate levels. Salary will be commensurate with experience and qualifications and will be based on University of California pay scales. Applications, consisting of a curriculum vitae, list of publications, summary of research interests, and plan for future research, should be sent to: Faculty Search Committee – Condensed Matter Theory, Department of Physics CMT-PT MC-0354, University of California San Diego, 9500 Gilman Drive, La Jolla CA 92093-0354. Candidates should arrange to have three letters of reference sent under separate cover. Review of applications begins October 30, 2006 and will continue until the position is filled. UCSD is an equal opportunity/affirmative action employer with a strong institutional commitment to excellence through diversity.
